Ian Forber-Pratt was excited to return to Crystal Lake Camps, having enjoyed his time as a camper in the early 90s. His love of the worldwide Christian Science community and his gentle leadership made him a perfect addition to our staff in the summer of 2007.

“As Boy’s head counselor I was able to give the gifts the camp has given me nearly 20 years before to the next generation of campers. I felt in-tune with my purpose in every breath as the fresh mountain air helped us all grow in every way imaginable.”
Sharing camp with my wife and son was literally a dream come true. As we all sported our matching green Turtle shirts, I couldn’t help but smile ear-to-ear...we were part of the reflections of Love, the camp theme.

Since that summer, Ian has completed his Masters in Social Work and thanks to organizations he has led, hundreds of children around the world have stable homes and families—including in India, the country of his birth. The spiritual foundation he cemented at camp has led him ever since, and in 2019 he returned to CLC—with his wife, and son!

Connecting our global family virtually this year was an indelible lesson—and we hope you will join us all year as we continue programs and look forward to having our campers back in-person next summer.

In the meantime, lost 2020 tuition means we have a significant budget gap to fill. Your support has never been more vital!
