

Packing List

No uniform is required.

Marking Articles: To ensure clothing and equipment make it home, please plainly mark **everything** with the camper's first & last name. Also, please attach a list of everything the camper brings to the inside of one piece of luggage. You may use this equipment list, just mark the quantities of each item inside the spaces given.

Luggage: Boxes, suitcases, or duffle bags work well for transporting camper belongings. Trunks are not used to store belongings at camp, as each camper has their own cubby and hangers.

Laundry: Camper laundry is washed 7 days into each full session, and campers in Session 1 will have laundry done twice. *No laundry is provided for Session 1a*

- Camp life can be tough on clothes. We suggest packing old, sturdy, washable clothes rather than new or delicate items.
- The weather at camp can be highly variable – hot some afternoons and quite chilly some nights. Please come prepared! We recommend fleece jackets, not cotton.
- Clothing should be cut modestly (no exposed bellies, very low-cut pants, or very short or skin-tight shorts.) **For swimsuits: Boys must have board shorts; girls must have a one-piece (no bikinis, monokinis, or speedos).** Loose, comfortable clothing is best for camp activities.
